ACCESSORIES

Our task is to supply the hookah industry with the best products of the highest quality. The company was created by people who love the hookah world, who know it and want to share this knowledge. We supply only the best of the best products and only those that we use ourselves.

# COCO SOUL

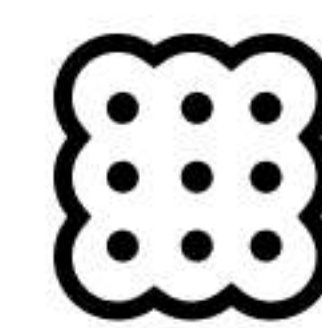

The first truly  
premium and natural  
coconut coals for  
hookah on the US  
market.

BURNS LONGER  
THAN ALL OTHER  
CHARCOALS

100% NATURAL  
CHEMICAL-FREE

DENSE AND  
HOMOGENEOUS  
STRUCTURE

TASTELESS  
AND ODORLESS

ASH LESS THAN 2  
PERCENT

7200 KCAL

MODERN  
PRODUCTION

KALAUD  
AND FOIL

Thanks to our technology and careful selection of the best raw materials, we have created coal that produce sufficient heat for more than an hour and does not lose its properties! No need to change the coal, no need to inflate them, turn over or come up with strange designs to extend the life of the coal. Just put them down and enjoy your smoking bowl! We solved the problem with charcoals for you.

# CRAFT HOOKAH

The harmonious  
combination of  
simple forms and  
functionality

MINIMALISTIC  
DESIGN

HANDWORK

ATTENTION  
TO DETAIL

QUALITY  
MATERIALS

Kraft hookahs are made in the very center of Russia and are the most popular hookahs. All engineering developments and all production takes place on modern equipment using only advanced steel grades. Kraft company is one of the leaders in the production of flasks, bowls and accessories.

We attentively study all components which we use by production, and we use only materials which have the food admission and the corresponding certificates.
